**Re: Notification of Ex Parte Presentation**  
**GN Docket 09-91; WC Docket No. 07-52; GN Docket 10-127**

Madam Secretary:

On Tuesday, September 28, 2010, Philippe Camus, the Chairman of the Board of Alcatel-Lucent, Mr. Stuart Eizenstat, Board Member of Alcatel-Lucent, and Paul Kenefick, Vice President Public Affairs, met with FCC Commissioner Mignon Clyburn and Louis Peraertz, Legal Advisor for Commissioner Clyburn. In this meeting, Mr. Camus and the Alcatel-Lucent representatives provided background concerning Alcatel-Lucent and the communications marketplace. Additionally, the meeting discussed Alcatel-Lucent's position in the above entitled network neutrality and broadband reclassification dockets. This advocacy was consistent with Alcatel-Lucent's filings in these Commission dockets, specifically concerning the potential impacts a 'nondiscrimination' principle would have on new business models involving applications enablement and service differentiation.

If you have any questions or comments concerning this filing or the meeting with Commissioner Clyburn, please do not hesitate to contact me. Thank you.

Sincerely,

Paul W. Kenefick
